Notes:

- Please refer to the Track Map on the EVERON website's Schedule Page
- Note the locations of restrooms on the Track Map
- Assisted by members of the Tractor Test Lab and other volunteers
- Team trailer parking to the north and northwest of the Test Lab building
- Spectator parking on the nearby streets or in lots at the east end of the track
- Staging area and pit row are to the immediate west of the Test Lab building
- No generators – there are outlets available in the staging area
- Normal vehicle inspection schedule and process
- All competing vehicles will use transponders supplied by EVERON
- Push vehicles to their starting positions through the Pit Row entrance
- Starting point will be on the track at the designated Start/Finish line
- Endurance Event only using a 60-minute heat

- Pit stop for the driver change is required between the 20- and 40-minute marks
- Pit stop for the driver change not required for Exhibition Class
- Awards for Endurance in each competition class and Best Pit Crew
- If possible bad weather or other circumstances threaten the rally, note that EVERON will make a “Go / No Go” decision at 3:00 PM Central Time on the day before the rally (Friday, April 4). Please check the website’s Schedule page shortly after that time and date to verify that the rally is still on.
- There is no makeup date if the rally is canceled.
- Spectators are welcome!
 - Talk with the teams, take pictures, and walk through the staging area.
 - Only approach vehicles with permission from teams.
 - View the race from designated areas in the grass next to Pit Row.
 - There are no bleachers or seating so bring chairs.

Public Notice / Release

Please be aware that by entering the event area, you consent to your voice, name, and/or likeness being used, without compensation, in photographs and videos for use in any and all media, whether now known or hereafter devised, in perpetuity. You release EVERON, its successors, assigns, and licensees from any liability whatsoever of any nature.

Do not enter the event area if you do not wish to be subject to the above.
