For those of you interested in more detailed information, please continue reading. The pages below show the detailed lap times for each lap driven by each vehicle, in each of this season's rallies. They are in the calendar order of the rallies. Within a rally, the details are listed in the order of the vehicle number.

These details show three information columns per lap. They are:

Column 1 #: This is simply the lap number, starting with lap #1 and continuing for as many laps as the vehicle made in this race.

Column 2 AfterLap: This is the cumulative amount of time for this vehicle, shown at the completion of the lap. It adds up all of the lap times of the previous laps.

Column 3 Lap: This is the amount of time to make this one lap.

Note that time is shown in the "H:mm:ss, hh" format, as follows:

H	Hours
mm	Minutes
ss	Seconds
hh	Hundredths of a second

As the season progresses, the details of each newly completed rally will be added to this file.
